This teams experience, which includes senior captain Anitra Boudiner Garfield's three year starter, proved to be the key for their improving and competitive performances for the 1980 Lady Griffins season.

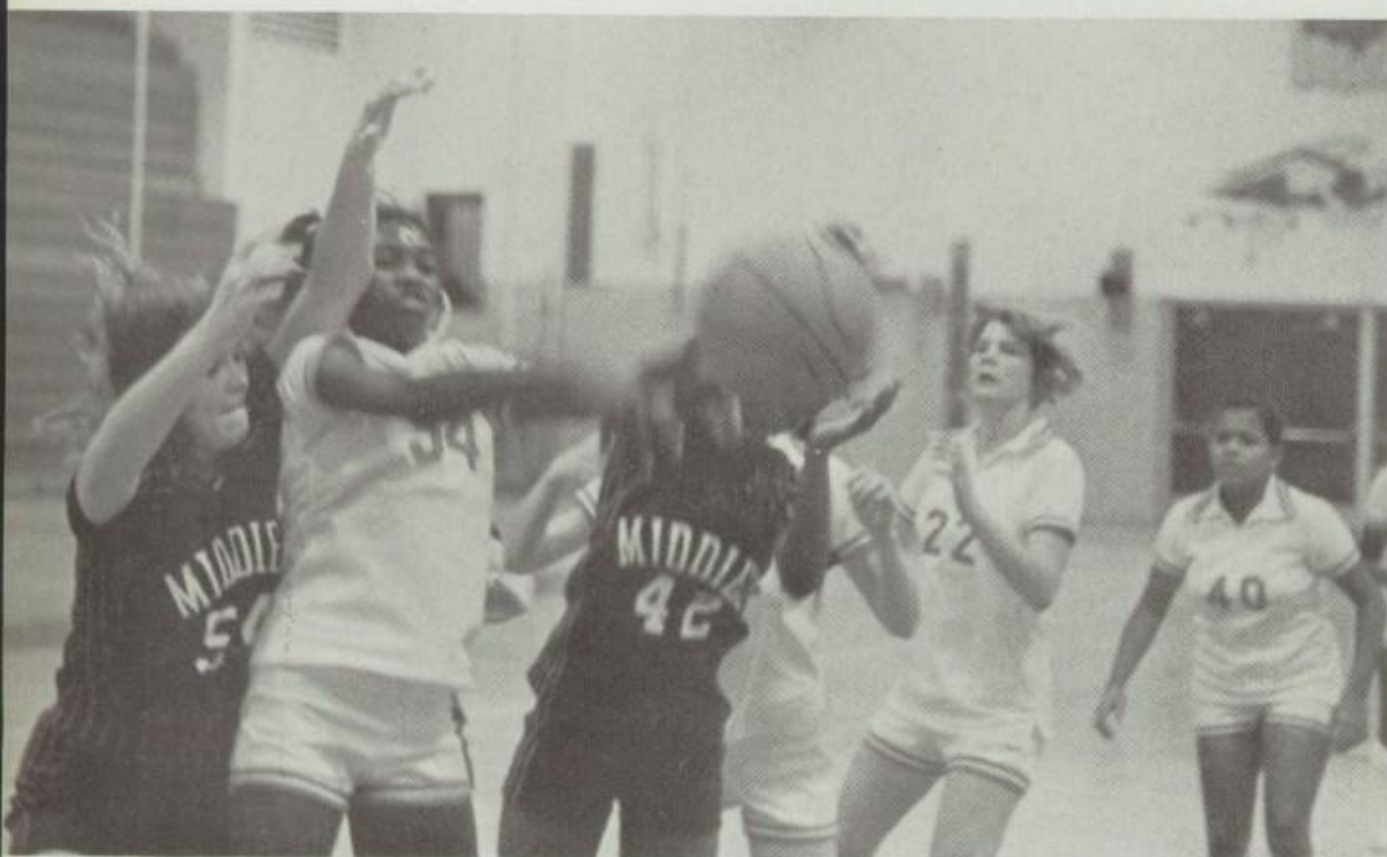

Sheila Benson was Garfields leading scorer but was followed closely by Amy Bryant, Cheraun Salone, and Cecilia Davis. Lorraine Turner and Sandy Bailey moved up from Reserve duties to key roles for the fighting Griffins. Soph's Vicky Fairmore and Missy Schryinger showed material that gives continuing hope for future programs.

Garfield will be losing Anitra Boudiner through graduation. The remaining nucleus of the team through their own hard work and dedication will be assured of starting an excellent program at the Hamilton High.

## FIELD AND FLOOR THAT "GRIFFIN GO"

This year Garfield started with a towering debt of over ten thousand dollars for athletic activities. With everybody's help, we have almost paid the complete cost of our athletic equipment, which could not be taken out of the school's budget. Most of the credit

is due to the Go-Getters Club, which sponsored various projects to raise money in order that Garfield's students could enjoy a good and complete athletic program.

Dodie,  
A very special  
friend of mine. We've

But mostly good. So lets keep  
in touch. Because good friends stay  
together forever. So keep cool as you  
are. And party hearty!

 If you ever need someone to talk to  
 call me (395-3961) and I'll try to help you
